

Annual Review

2022/23

SUPPORTERS

We received donations towards our aim of challenging the misrepresentation of science and evidence in public life from 74 individuals totalling £89,378.

We also received donations from the following organisations:

Applied Microbiology International (AMI)	Voice of Young Science: Standing up for Science workshop for ECRs	£2,001 - 5,000
Biochemical Society	Voice of Young Science: Standing up for Science workshop for ECRs	£2,001 - 5,000
British Academy	Partnership to understand under what conditions science is considered authoritative in policy making	£20,001-50,000
British Pharmacological Society (BPS)	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters; Voice of Young Science: Standing up for Science workshop for ECR; Friendship donation	£10,001-20,000
Cambridge University Press (CUP)	Quality and Peer Review programme	£2,001 - 5,000
Elsevier	Voice of Young Science: Standing up for Science workshop for ECRs; Partnership to lead a discussion about confidence in research	£5,001-10,000
F1000 Research	Quality and Peer Review programme	£2,001 - 5,000
G-Research	Presentation on communicating about complex issues	£2,001 - 5,000
Imperial College London	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£2,001 - 5,000
John Innes Foundation (JIF)	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters ; Voice of Young Science: Standing up for Science workshop for ECRs	£10,001-20,000

King's College London	Partnership to develop resources making sense of cancer treatments	£10,001-20,000
Koninklijke Hollandse Maatschappij der Wetenschappen (KHMW)	Voice of Young Science: Standing up for Science workshop for ECRs	£1,001-2,000
Lloyd's Register Foundation (LRF)	Equipping communities to discuss the evidence on risk (Risk Know-How)	£200,001-300,000
London School of Economics and Political Science (LSE)	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£20,001-30,000
Lorentz Center (Leiden)	Voice of Young Science: Standing up for Science workshop for ECRs	£2,001 - 5,000
Massachusetts Institute of Technology (MIT)	Partnership to develop engagement resources around the application of AI in healthcare	£20,001-30,000
Medical Research Council (MRC)	Quality and Peer Review programme	£2,001 - 5,000
Microbiology Society	Quality and Peer Review programme; Voice of Young Science: Standing up for Science workshop for ECRs	£2,001 - 5,000
Office for National Statistics (ONS)	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£2,001 - 5,000
Rothamsted Research	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£2,001 - 5,000

Royal Society of Chemistry (RSC)	Voice of Young Science: Standing up for Science workshop for ECRs	£2,001 - 5,000
Society for Experimental Biology (SEB)	Voice of Young Science: Standing up for Science workshop for ECRs	£5,001-10,000
South East Network for Social Sciences (SeNSS)	Voice of Young Science: Standing up for Science workshop for ECRs	£2,001 - 5,000
Springer Nature Publishing Group	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters; John Maddox Prize for Standing up for Science	£10,001-20,000
St George's, University of London (SGUL)	Voice of Young Science: Standing up for Science workshop for ECRs	£20,001-50,000
Taylor & Francis	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£10,001-20,000
The University of Sheffield	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£2,001 - 5,000
UK Research and Innovation (UKRI)	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters; Voice of Young Science: Standing up for Science workshop for ECRs	£10,001-20,000
University College London	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£2,001 - 5,000
University of Central Lancashire (UCLan)	Voice of Young Science: Standing up for Science workshop for ECRs	£2,001 - 5,000

University of Edinburgh	Voice of Young Science: Standing up for Science workshop for ECRs	£101-1,000
University of Exeter	Capacity building training for ECRs	£10,001-20,000
University of Leeds	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£10,001-20,000
University of Lincoln	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£2,001 - 5,000
University of Nottingham	Voice of Young Science: Standing up for Science workshop for ECRs	£20,001-50,000
University of Oxford	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters; Partnership to develop public resource on aging research	£50,001-100,000
University of Southampton	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters; Voice of Young Science: Standing up for Science workshop for ECRs	£10,001-20,000
University of Plymouth	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters; Voice of Young Science: Standing up for Science workshop for ECRs	£20,001-30,000
Wales Innovation Network	Evidence Week in the UK: bringing together parliamentarians and people from different walks of life to talk about why evidence matters	£2,001 - 5,000
